

THE MAURITIUS TURF CLUB

24 July 2019

COMMUNIQUE

Following barrier trials held at Port Louis on Tuesday morning the 23rd July 2019, through the routine identification process, it was discovered that the microchip and passport identification did not correspond to the horse presented as **CASH CALL** by Trainer S Hurchund.

On investigation, the horse presented as **CASH CALL** was identified as **THE JAZZ SINGER**. Neither horses have participated in a race in Mauritius and are both stabled with Trainer S Hurchund. An inquiry will be held into the circumstances regarding the horse identification discrepancy on a date to be set.
