

Mauritius National Assembly
Sitting of Tuesday 13 August 2019
Parliamentary Question B/782

B/782 The Honourable Third Member for Port Louis South and Port Louis Central (**Mr Osman Mahomed**)

To ask the Honourable Minister of Financial Services and Good Governance -

Whether, in regard to the assets of the ex-BAI group, he will, for the benefit of the House, obtain from the National Property Fund Limited, information as to the value thereof as recently assessed, giving details thereof?

REPLY

Madam Speaker,

I wish to refer the Honourable Member to the reply I made to Parliamentary Question B/458 at the sitting of 18 June 2019 wherein I gave an estimated value of the assets of the National Property Fund Ltd of approximately Rs 12 billion.

Madam Speaker,

I wish to reiterate that the valuation exercise covered only the immovable properties of the National Property Fund, as mentioned in my reply to Parliamentary Question B/458.

And, as I already mentioned in the same reply, the National Property Fund Ltd has initiated action for the disposal of these immovable properties.

As the information asked by the Hon Member is commercially sensitive information, it would not be appropriate to disclose the value of these properties because it would cause prejudice and hinder the disposal exercise.
